

Win Win Ultimate

FEATURES

100% Capital Guarantee at Maturity

Daily Liquidity

Backed by BNP Paribas

The Win Win product is issued and guaranteed by BNP Paribas, one of the world's largest bank, S & P rated 'AA'.

Up to 25% Annual Bonus Payments

Second Chance

Investors have a second chance to earn back each year any Bonus Payments rolled over.

BENEFITS

Assists Financial Planning

Allows Investors to plan with certainty for specific goals such as school fees or early retirement.

Peace of mind

Your capital is not susceptible to market volatility or downturns.

Investors have the security of knowing they cannot lose their capital.

Accessibility to Cash

Investors are not locked in to the investment. Win Win is a tradable Asset. It can be encashed at any time, or be assigned to a bank as collateral for loans.

Security

Investors have the knowledge that capital invested, and all bonus payments earned will be met.

Exceptionally High Annual Returns

Real payouts, not 'Paper Profits', are yours to spend or reinvest.

Enhanced Return

Greater probability of achieving spectacular returns.

Win Win Ultimate

FEATURES

Flexible 10 Year Term

A medium term investment with daily liquidity.

Generous Safety Margin

Barrier typically set at around 75% of issue price.

Additional safety net allows BNP Paribas to replace a stock in the event of insolvency, nationalisation, delisting, merger or take over.

Extensive Back Testing

1245 simulations over 14 years.

Blue Chip Stock Basket

International geographical and sectorial spread selected by BNP Paribas.

Clear Charging Structure

5% Placement Fee on investment.
12.5% Performance Fee on payouts.

Quality Local Support

Only available through selected Financial Advisors.

BENEFITS

Flexibility and High Performance

The rate of the annual bonus payments can't be reduced for 10 years.
The linked basket of blue chip stocks is more likely to be above the stated barrier after this time.
Increased likelihood of recouping unpaid annual interest through the Second Chance.
Tradable daily.

Exceptional Returns

Bonus payments can be earned even in flat or falling markets.

Solid Results

In 97% of cases investors would have received 7 Annual Bonus payouts.
In 100% of cases investors received full payout of rolled over Annual Bonus payments from Second Chance.

Higher Chance of Success

Low Risk.
High Returns.

No Hidden Charges

Once only set up charge. No early encashment penalties.
No annual management charges.
No Annual Bonus payout – No Performance Fee.

Personal Approach

Face to face contact and quicker access to Information through both your Financial Advisor and Private Client Portfolio.
